

**Lynn N. Simon, FAIA, LEED® AP
President**

Simon & Associates, Inc. (S&A) is an internationally recognized green building consulting firm. Lynn N. Simon, FAIA, a green building pioneer and a leading authority in the industry, established the firm in 1994. S&A provides consulting on sustainable and healthy building practices for design firms, as well as public, private, and non-profit building owners and developers. In 2003, Lynn received the AIACC Presidential Citation Public Service Honor Award, and in 2005, she was named one of 25 Environmental Champions by EnvironDesign Journal.
