

**SIMON & ASSOCIATES, INC.**  
Green Building Consultants

### **BIOGRAPHY**

**Marian Keeler, Associate AIA, LEED AP**, is a Senior Associate with Simon & Associates, Inc., Green Building Consultants, a nationally recognized green building consulting firm. The firm has consulted on many LEED certified projects, including some of the earliest projects to achieve LEED certification in California.

Ms. Keeler has ten years of experience in the green building industry, focusing on indoor air quality (IAQ) and health issues in an integrated building approach to high-performance buildings. She has worked in various architecture firms, including SMWM, and as a green building writer and consultant. Ms. Keeler has presented at EnvironDesign and San Francisco's 2005 World Environment Day on IAQ and integrated design issues. She has published several journal articles and is working on a Sustainable Building Design textbook to be published in 2008 by Wiley & Sons.

Ms. Keeler is a LEED Accredited Professional and is on the Boards of West Coast Green and Green Home Guide and on the USGBC Northern California Chapter's Advocacy and Resources committees. She received her Bachelor of Architecture degree from California College for the Arts and a Bachelor of Arts in Art History from the University of California at Davis.
